**Description**

Sailor Moon and the Sailor Guardians are about to face their greatest challenge yet—high school! But as the girls take their next big step in life and death, Uzu prepares to return to the future, a mysterious force from the evil Queen threatens! While the struggle to contain her old enemy will be difficult, it may be Mamoru's year of studying abroad in... more

Episode 1

#### The Flower of Nightmares Scatters: The Que...

Uzumi and her friends meet their new lives as high school girls. Meanwhile, Meteloreta breaks out of her prison to seek revenge against the Sailor Guardians.

00:00 04:19:00 23 minutes
